

Supplier's Declaration

We, the undersigned Supplier, hereby certify that all substances, preparations, articles and products delivered from Mäkelä Alu Oy comply with the following directives:

EU directive 1907/2006/EC (REACH)

We regularly monitor the ECHA's Candidate List of Substances of Very High Concern and we will notify our customers in 45 days, if any of these substances is a part of the substances, preparations and articles are supplying from Mäkelä Alu Oy.

The REACH Regulation requires companies to inform their customers of these substances, and respond to consumers within 45 days after receiving a request, if the sold objects containing more than 0.1 weight percent of the substance in the candidate list.
